APPAREL SOURCING SOLUTION LIMITED

Business Philosophy

We so strongly believe in having transparent and accountable relationship with our stakeholders; most importantly our valued clients, suppliers, our officers and all the concern entities we deal with.

Our mission is to deliver value to our customers, understanding our customer needs and serving them accordingly is our business goal. Relationships with buyers are key to our business mission.

Suppliers are key to meet our business needs. Maintaining a close relationship with suppliers helps us to meet time and quality requirement of buyers.

Workers are our assets. We consider our industry as our family and treat our workers as important family members. We ensure them every facility and bring out the best in them.

Sustainable business practice is core for our future. We have started construction of proposed, lead platinum label manufacturing unit, which will be certified by USGBC. This 20 line woven garment manufacturing green factory will start production from June 2017.

Merchandising

Patriot group has an experienced merchandising team consisting highly qualified, self-motivated and well-trained merchandisers working constantly to provide best support to the buyers. Each of them is devoted to specific clients and follow their orders from its beginning to the final completion.

Quality Management

Patriot group Has own good Quality control unit doing fabric inspection to quality checks during every stage of production through to completion. Inspection teams ensure of the highest standard of quality of the finished readymade goods. Other quality control stuffs provide daily reports regarding quality of sewing and finished goods to quality manager.

Recent Audit Results

- In BSCI audit in 2015 we have achieved 95.6 out of 100 Points
- SEARS / KMART has done audit in 2015 and we have got good remarks
- We are audited by Alliance and accord on building safety, fire safety and electric safety with - satisfactory result.
- Arup, conducted building integrity test in our factory in 2013 and declared it safe working place
- Regular audits are done by all the buyers with satisfactory results.

Transportation, Clearing & Forwarding

Patriot group has own vehicle fleet and transportation facility to move all kind of material and finished garments from factory to ports. We have 10 covered vans of our own and get vehicle support from our partner organization Meghnaparibahan. Our in house Clearing and Forwarding Agency in Dhaka, Chittagong and Benapole enables us to smooth and timely cleaning and forwarding of goods. To avoid port delays and ensure timely delivery of goods all these departments works round the clock with efficiency.

Marketing Team

Apparel Sourcing Solution Limited is the marketing wing for patriot Group. Our team is dedicated to deliver value to our customer through quality products and services. Experience in the Ready Made Garments trade allows our marketing team to offer competitive market rate and fast lead time to our customers. Over 20 years in this trade we have made a strong supplier bank for quality sourcing particularly from China, Hong Kong, India. In Bangladesh, local market knowledge and close connection with local suppliers allow our team to trim down the sourcing time for production. To provide our clients a better service and support our marketing team has strong Merchandising Team in Dhaka.

430/1/A, Tejgaon Industrial area, Dhaka-1208, Bangladesh.

Future Considerations for 2016

Patriot Group aims to increase production capacity and planning to build a modern production factory with 20 production lines in Tongi Gazipur, the construction of the project is ongoing and expected to be completed by the December of 2016.

Patriot Group is in advanced negotiation to implement Enterprise Resource Planning Software to improve recording and quality of reporting and monitoring. Our expected implementation time is December 2016.

Patriot Group is planning to setup an In house training and development center to improve efficiency of machine operators and group employee performance.

Improve capacity to support our Clients in other value chain activities e.g. washing, Testing, Designing etc.

Building independent audit team for monitoring & reporting company performance by January 2017.
